### **What is the ROCK City ABC of Touring weekend 2010?**

In two days we will ride a fantastic tour starting and ending in the city of Deventer. Along the most beautiful roads in the Salland and river IJssel area we ride into Germany where we will stay for the night in a very special accommodation. The tour can be done individually or in small groups, you will receive all info in advance via e-mail. You can ride the tour with your Garmin GPS device. (If you don't have one you can join other participants). Several photo stops are planned along the way, according to the principle of the ABC of Touring of the H.O.G. Our road captains will take the pictures to prevent long queues. After the weekend you have gathered sufficient points for a form to request a H.O.G. ABC pin. Next to this already prefilled form you will also receive a one-of-a-kind T-shirt and pin.

### **Itinerary:**

Saturday morning between 09.00 hrs and 10.00 hrs we will leave from Deventer. Saturday evening we will arrive in Dorf Münsterland in Legden (Germany). This is a very special location as next to the hotel there is a complete entertainment village with lots of facilities in the beautiful half-timbered building style this area is famous for.

Entertainment for every taste from disco dancing to 'back to the sixties', live music but also bowling lanes and several pubs so you can talk with your (new) friends. Admission to this centre, a dinner buffet and your hotel accommodation is included in the price.

On Sunday we will do the second and last part of the tour again along beautiful photo stops. In the afternoon we will arrive at our last stop in Deventer where all participants., after checkout, can leave individually for the trip home.
